

## Great Smeaton Academy Sports Funding 2015 - 16

### Rationale

At Great Smeaton School, we believe that a high quality and enjoyable physical education programme is a vital part of a child's development. We aim to develop each child's physical confidence and skills enabling them to lead healthy lifestyles.

Through our curriculum we offer the children opportunities to compete both against themselves and others, in order to build self- confidence, resilience and a sense of fair-play.

The curriculum is designed to enable all children to participate including those who are more able, as well as those with additional needs. The P.E. and Sports premium has been used and will continue be used to promote and develop these aims, as well as support teaching staff in their continuous professional development.

### Financial Statement

During the financial Year **2013 – 2014** Great Smeaton School was allocated **£8280**

During the financial Year **2014 – 2015** the school will be allocated **£8240**

During the Financial year **2015 – 2016** the school is allocated **£8215**

### Actions Taken

All children have **the chance to participate in competitive sport** at an appropriate level. Extra funding has enabled us to increase the opportunities available by subsidizing transport and enabling the release of teachers. A variety of teams compete against other schools. including:

- Paid to be part of Conyers School Primary School Sports Cluster
- Paid from developmental work and support from Conyers Sports Department
- Football tournament
- Sportshall Athletics
- Quick Sticks
- Hi5 Netball
- Cricket
- Swimming
- Tag Rugby
- Tennis
- Cross Country

We have also used our additional funding to support the transport to the Dolphin Centre of the whole school for swimming lessons each Friday. We will continue to support the transport of Class One children to Northallerton to Hambleton Leisure Centre each Friday morning until the end of the Spring Term.

We have begun to put an obstacle course into the far side of our field. We are continuing to develop this and are taking quotes to add further equipment on to the field.

### Expected Outcomes / Impact

- Early Learning Goals re physical development enhanced
- Raised attainment across all key stages
- Gaps in attainment in basic skills are eliminated
- Improved fitness and ability to make healthy life style choices
- Needs of all children met through effective and well informed teaching
- Increased participation and provision for more able pupils
- Improved and wider provision across the school
- Improved continuous professional development for teaching staff
- Teams enter competitions and festivals with a higher degree of confidence and skill
